

Nutmeg Spinners Guild

The Nutmeg Spinners Guild is one of the nation's largest and most active guilds dedicated to the art and history of hand spinning. It is the mission of the Guild to promote and keep alive the art of hand spinning.

Nutmeg Spinners Guild meets on the first Saturday of October, February, April and June and the second Saturday in December. Our meetings are located at *St. John's Episcopal Church, 679 Farmington Avenue, West Hartford, CT.*

Many of our meetings have programs with well known mentors to teach techniques, new skills, and educate on different types of fibers, including sheep breeds, man-made fibers, and exotic fibers and animals.

We welcome all new and experienced spinners. We have a *Caring Hands Program* to help beginners learn not just how to spin, but how their wheel works and to assist in problem solving. The Guild also has an extensive lending library for its members.

The visitor's fee at our meetings is \$10.00 per person. However, if you are interested in joining, please fill out the form below! We look forward to seeing you at our next meeting!
